

GENERAL INFORMATION

Wee Learn Curriculum: A curriculum written specifically for Church Weekday School programs is under the supervision of the Weekday School Director, Children's Minister and the Weekday School Committee.

Birthdays: You may send treats to school to celebrate your child's birthday with his/her class. Be sure to discuss this with the teacher to decide what will work best for their class schedule. You may send birthday invitations to school ONLY if every child in the class is invited. You may obtain a class list from the school office.

Parties: All class parties and projects are unique to each classroom. Teachers will communicate to parents by newsletter and calendars throughout the year for specific events that include parent participation.

Special Occasions include visits from community helpers to share about their professions. Weekday School does not participate in field trips.

Personal Items: Children may bring **one** toy for naptime. All other toys should be left at home. WDS will not be held responsible for lost or stolen personal items.

Good rule of thumb: Any cherished items should remain at home!

Dress Code: Please send your child to school in comfortable clothing and tennis shoes. This is for your child's safety on the playground and during P.E.
